

FEE POLICY

OUR VISION

Wild Cherry School strives to educate and support the development and potential of each individual child, whilst fostering a creative and ethical community.

OUR VALUES

- Fostering a desire in our students to aim for academic and artistic excellence by providing them with a rich, diverse, and integrated Steiner curriculum.
- Inspiring the children with a lifelong love of learning, a morality that strives for goodness, an appreciation of beauty, and a pursuit of truth.
- Developing respect, trust, and caring for themselves, each other, the broader community, and the earth.

PURPOSE

The purpose of this policy is to ensure timely payment of school and preschool fees/education contributions.

POLICY

- Annual fees and charges are subject to amendment by the School Board and are payable via Edstart Plus as outlined in Payment Process below.
- If fees of the previous term are unpaid, a child will only be allowed under special circumstances, at the discretion of the School Leaders, to enter a new term.
- A full term's notice in writing must be given to the School Leaders when withdrawing your child/children from the school. If the required notice is not provided, one full term fees (i.e. one quarter of the annual fee) will be charged. 'One full term' means a complete school calendar term.
- The School will take necessary steps to recover any outstanding fees.
- The applicants, whose signatures appear on the Enrolment Agreement, are jointly and severally responsible for the payment of all fees and charges. Both parents/carers or those responsible for paying fees must sign the application form.
- Parents/guardians, whose children are away from the School for any period during the school year, must continue to pay all fees to retain the enrolment place.

PAYMENT PROCESS

- Edstart facilitates all school fee payments in partnership with Wild Cherry School. Please visit [Pay your fees at Wild Cherry School with Edstart](#) to set up your account.
- Payment options available through Edstart Plus are:
 - One yearly payment at the time of enrolment or start of the school year by no later than 28 January of any school year, with a discount as per current fee schedule.
 - Four term payments prior to the start of each term.
 - Payment by weekly, fortnightly, or monthly instalments

Payments can be made via direct debit, credit/debit card or BPay.

- Families are to refer to the annual schedule of fees for current details.
- A non-refundable enrolment fee is due at the time of application for enrolment. This amount will be deducted from the annual tuition fee, if and when the enrolment is accepted.
- An application for enrolment cannot be processed without the enrolment fee paid and a completed fee payment plan has been agreed to and signed.

FEE ASSISTANCE

The School makes provision in its budget for financial assistance in cases of emergency or short-term financial hardship which may occur during the course of a child's enrolment. Families are invited to discuss this with the School Leaders.

SCHOLARSHIP PROGRAM

At Wild Cherry School we seek to foster an inclusive and diverse community and wish to make Steiner education more available across our community. Our Scholarships program offers a limited number of subsidised places to eligible applicants, who would otherwise not have the opportunity to enrol in the school, due to financial disadvantage.

The total number of scholarships awarded annually will depend on the number of applications at each year level, the financial impact, and the social and educational impact on individual classes and the school as a whole.

NON-PAYMENT OF FEES

In the first instance, Edstart will continue to engage families and make alternative payment arrangements to suit families and the school.

If Edstart is unable to engage the family and payment arrangements are not being met, Edstart will return the debt to Wild Cherry School to manage. The School will take all necessary steps to recover any outstanding fees and will follow the process below:

- If student fee commitments are not being met, families will be notified in writing reminding them of their agreement and requesting prompt payment.
- If within 14 days of the first correspondence, no contact has been made and the outstanding amount has not been settled, a second reminder will be issued, and a meeting requested to set up a debt clearance plan.
- If due diligence is not being applied by the parents/guardians to settle the overdue amount, the School will initiate a debt recovery process and request the child be withdrawn from the school by the end of the term.
- Charges to administer the non-payment of fees apply.
